

PICPA ED MEMO No. 003 FY 2019-2020

DATE: July 31, 2019

TO: All Chapter Presidents and PICPA members

RE: Members' Registration Thru EventBank

This is to request all members (ie., members in good in standing, those with arrears, sustaining and honorary life members) of the Philippine Institute of Certified Public Accountants to register and update their profile thru our new customer relationship management system called – **PICPA EventBank**. Thru this system, PICPA members can effectively maintain an online membership database and thus provide the members the opportunity to grow their professional and social network. The same database will be the basis of all other activities and events of PICPA including CPD seminars and training.

Attached is the guide on “How To Register with EventBank.” PICPA members can also log in at picpa.com.ph for more details and enjoy the PICPA-EventBank digital experience.

Thank you.
